Cold Chocolate

Arts Café

April 1@ 7PM

Cold Chocolate is a genre-bending Americana band that fuses folk, funk, and bluegrass to create a unique sound all their own. Featuring Ethan Robbins on guitar, Ariel Bernstein on percussion, and backed by some of the roots music scene's finest players, this group from Boston is impressing audiences throughout New England and beyond. Punctuated by tight harmonies and skillful musicianship, and with a focus on songwriting, Cold Chocolate has quickly gained recognition for their original music and high-energy shows. The band has shared bills with Leftover Salmon and David Grisman, and regularly performs at venues and music festivals across the country.

Carolyn Wonderland **April 21@ 7PM**

A musical force equipped with the soulful vocals of Janis and the slinging guitar skills of Stevie Ray, Carolyn Wonderland reaches into the depths of the Texas blues tradition with the wit of a poet. She hits the stage with an unmatched presence, a true legend in her time.

She'd grown up the child of a singer in a band and began playing her mother's vintage Martin guitar when other girls were dressing dolls. She'd gone from being the teenage toast of her hometown Houston to sleeping in her van in Austin amid heaps of critical acclaim for excellent recordings.

Gibson Brothers **May 12@ 7PM**

There's a reason why Ricky Skaggs pulled Eric and Leigh Gibson off the stage at the Ryman two decades ago and offered to produce their debut record. The same thing that led David Ferguson and Grammy Award winning producer and Black Keys frontman Dan Auerbach to co-write and produce their 14th album "Mockingbird" (2018) and release it on his own label Easy Eye Sound alongside cultural icons such as Hank Williams Jr. and Dr. John: the Gibson Brothers are the real deal. They can pick. They can sing. And they can write a damn good country song. They've won about every bluegrass award you can name and released albums on almost every premier Americana label you can think of including Sugar Hill and Rounder, and, if that's not enough, their songs have been recorded by bluegrass legends no less than Del McCoury. It's a resume almost anybody in country music would be proud to have. But despite all of this, the Gibson Brothers are not yet household names. Their latest album, "Darkest Hour," produced by dobro master Jerry Douglas might just change that.

Baburchak

"Wings"

I believe that natural beauty is all around us, no matter where we live. We just need to learn to see, appreciate, and enjoy what I call "beauty in the ordinary". It doesn't need to be an exotic animal or a rare plant, beauty is present in our everyday lives, but we need to change our way of looking for and seeing that beauty.

West Gallery **Tom Schmitt** **"Dark Rides?"**

One reason I like to paint these dark rides is because of the paintings on the outside of the rides. They are done with a lot of color and movement to attract customers. I also like that they are self contained trucks that unfold into a ride. I enjoy the home made creatures that light up and pop out of the dark rather than the more professional animatronics.

Earlville Opera House Seeking Commercial Tenant!

#12 Available Immediately (pictured above)

Earlville Opera House owns #12 East Main Street, a 1000 square foot Victorian storefront on the historic Douglass Block, and we are now accepting inquiries to lease this space.

This shop has been newly outfitted with a top of the line environmentally friendly and cost effective RunTru HVAC system (you can run it from your phone!). Rent is \$675/month.

In order to benefit both the tenants and the Opera House, we are looking for a business that relates to Opera House programming and/or can provide a meaningful service to the greater Earlville community. For example, a store selling musical related items, a shop that has occasional live music or a musical or artistic theme, however all inquiries will be thoughtfully considered.

Call (315) 691-3550 to inquire

Your beloved Earlville Opera House faced tough new challenges during the pandemic shutdown. With no shows, no workshops or classes, galleries and gift shop closed and the theater dark we lost major portions of our revenue.
