Eileen Ivers

September 25@ 7PM

What's the difference between a fiddle and a violin? In the hands of a celebrated guest soloist with over 50 Symphony Orchestras, who also shreds electric fiddle through fuzz, wah and looping effects ...who is called "the future of the Celtic Fiddle" by the Washington Post, and "the Jimi Hendrix of the violin" by the New York Times ...who is Bronx born, yet the 9-time All-Ireland Fiddle Champion. What's the difference? Nothing, in the hands of Eileen Ivers.

Grammy®-Awarded and Emmy-nominated, Eileen Ivers, continues to push the fiddling tradition boundaries from a folk music staple to a fiercely fresh, powerfully beautiful, intensely driving world stage experience. Eileen has performed with Sting, 'Fiddlers 3' with Nadja Salerno-Sonnenberg and Regina Carter, Patti Smith, Al Di Meola, The Chieftains, was the groundbreaking Musical Star of Riverdance, a founding member of Cherish the Ladies, a former member of the Hall & Oates band, a featured instrumentalist on soundtracks including "Gangs of New York" and Back to Titanic", and she is one of the most awarded All-Ireland Fiddle and Banjo champions ever. Eileen has been proclaimed "a national treasure" by NCTA Board Chairman George Holt as she celebrates her 30 plus year career as a performer, composer, producer, songwriter, band leader, educator, multi-instrumentalist and renowned pioneer in connecting her American, Irish traditional, jazz, blues, and world roots.

Reyna Stagnaro **Courtyard Show** **Donation Event**

September 11@ 2PM

Reyna Stagnaro is a singer/songwriter worthy of a good listen. Her songs ring of hill and heartland, a place she knows well. Her voice is distinctive and enchanting with an infectious purity that feels welcoming and familiar. Reyna's mandolin and tenor guitar add a timeless rural sound. Her music has a graceful lyricism and honest simplicity. Her view of the world is open, direct, and refreshing. The songs are a journey with a melody and message that resonate and bring you to a place that feels like home.

Reyna's albums *Coalyard Of Dreams* (2021) and *Painted Hills* (2015) have been well received and played on Public Radio Common Threads (WAER), Bluegrass Ramble (WCNY) and Colgate University Radio (WRCU). www.reynastagnaro.com

Reyna performs and offers songwriting workshops in Central New York. She will bring some fine musician accompaniment to this Courtyard Concert, a show you will not want to miss!

Jenni Larchar and **Tom Murphy** **Courtyard Show** **Donation Event**

September 18@ 7PM

For over a decade, Jenni and Tom have been blending Jenni's golden voice and Tom's rhythmic piano into an eclectic repertoire of American Standards, Vintage Country, and Irish melodies, accented by Jenni's fiddle. Tugged between Jenni's love of melodic Standards and Tom's love of Country and Irish music, they haven't limited themselves to one genre.

Jenni and Tom appeal to diverse audiences, and have been featured performers at Sherburne Music in the Park, the Chenango County Fair, the Sherburne Art Show, the Local Music Project, the Palace Theater, and at markets, fairs, events and senior centers in Central New York, Maine and Massachusetts.

BROOME, CHENANGO & OTSEGO COUNTY STATE COMMUNITY REGRANT (SCR) PROGRAM (Formerly Decentralization)

PURPOSE AND HISTORY OF THE SCR PROGRAM:

The New York State Council on the Arts (NYSCA) is dedicated to preserving and expanding the rich and diverse cultural resources that are and will become the heritage of New York's citizens. In 1977, NYSCA developed the former Decentralization (DEC) Program, now called the State Community Regrant (SCR) Program, to ensure New York State's cultural funding reached every part of the State. This program is funded in all 62 counties, and funds are regranted at a local level. Through this program, not-for-profit

organizations and artists may apply annually for grants up to \$5000 to help strengthen the arts and cultural programs in their communities. The goal is to make state arts support available to geographically, economically, and ethnically diverse segments of the state's population. The SCR Program has been administered in Chenango County since 1986 and Earlville Opera House began administering the SCR program in 2020 at the invitation of NYSCA. Nominations for grant review panels are accepted on a rolling basis. For more information, contact Victoria Kappel at: victoria.kappel@earlvilleoperahouse.com

Do you remember concerts? Do you remember the sounds of happy voices as friends meet other friends out for the evening, the faint whiff of coffee from the Arts Café, the beautiful original art work you pass on your way to the theater, the smiles of the volunteers, the faintly dusty smell of the beloved old building, the chats with seat neighbors, the dimming lights, and the anticipation of the exciting music you're about to hear?

Those are the things we've missed since the Earlville Opera House suspended operations in March of 2020, but we will be able to get back to the activities and people we've been missing very shortly.

2020 was a really tough year for us all, but especially so for businesses and venues that depend on bringing large groups of people together in one place.

Become a Sustaining Partner

Your beloved Earlville Opera House is facing tough new challenges during the pandemic shutdown. With no shows, no workshops or classes, galleries and gift shop closed and the theater dark we have lost major portions of our revenue. Besides lost ticket sales, no shows mean no corporate sponsorship or advertising sales, and no concessions sold in our cafe, no merchandise or sales in our gift shop at intermission, and no gallery sales. But you can help by becoming a Sustaining Partner!
